

Could *you* benefit from a Career Coach? *Let's Find Out!*

Check if your answer is “No”:

- ◆ Are you in a job that will lead to your career goals?
- ◆ Are you actively positioning yourself for your next career step?
- ◆ Do you have a resume that “works” for you?
- ◆ Do you know how to navigate the culture in your organization?
- ◆ If you have moved to a new level in the organization, are you aware of what the organization expects of you at this level?
- ◆ Do you have a good working relationship with your boss?
- ◆ Do you effectively manage your job and career during and after an organization or management change?

Check if your answer is “Yes”:

- ◆ Are you in a job or career transition?
- ◆ Do you want to change jobs or careers?
- ◆ Have you been passed over for a promotion or key assignment?
- ◆ Are you concerned about your job due to a potential layoff?
- ◆ Are there job or career issues that you are confronting without a clear solution?

If you checked any of the boxes, please contact me for a half-hour complimentary coaching session.
